Schedule of Events

8:30 AM  Welcome by Gail Jarvik, MD PhD
8:40 AM  Opening remarks by Paul Ramsey, MD
8:50 AM  Beginning UW Medical Genetics - Stan Gartler, PhD
9:00 AM  Memories of Arno, by the decade.
          Speakers, in order of appearance:
          
          **Early years:**
          George Martin, MD
          
          **1960s:**
          C. Ron Scott, MD
          Judy Hall, MD
          Bill Bremner, MD
          Joe Felsenstein, PhD
          Gil Omenn, MD PhD

10:00 AM  **Short break**
           Light refreshments will be provided

10:20 AM  Memories of Arno, continued

          **1970s:**
          Wylie Burke, MD PhD
          Tom Bird, MD
          Jan Friedman, MD PhD
          Steve Schwartz, MD PhD
          Veena Najfeld, PhD
          Fernando Arena, MD PhD

          **1980s:**
          Clem Furlong, PhD
          Paul Billings, MD PhD
          Jeff Murray, MD

          **1990s:**
          Kathy Leppig, MD
          Robin Bennett, MS LGC
          Ellen Wijsman, PhD

12:00 PM  Lunch, served in the Vista Café

Science Talks

1:15 PM  **From Jewish Genetics to Pharmacogenetics:**
          A Tribute to Arno Motulsky
          Neil Risch, PhD
          Director, Institute for Human Genetics
          University of California, San Francisco

1:45 PM  From Arno’s Lessons on Bayes’s Theorem to ClinGen Variant Assessment
          Sharon Plon, MD PhD FACMG
          Professor, Departments of Pediatrics/Hematology-Oncology, Molecular and Human Genetics
          Baylor College of Medicine

2:15 PM  What would Arno Say? A Few Issues in Modern Genomics
          Jim Evans, MD PhD
          Bryson Distinguished Professor, Genetics and Medicine
          University of North Carolina

2:45 PM  **Short break**
           Light refreshments will be provided

3:00 PM  Solving Garrod’s Fourth Inborn Error of Metabolism with Arno
          Mary-Claire King, PhD
          American Cancer Society Professor
          Professor, Medical Genetics and Genome Sciences
          University of Washington

3:30 PM  Medical Genetics: Present and Future
          Gail Jarvik, MD PhD
          The Arno G. Motulsky Endowed Chair in Medicine
          Head, Division of Medical Genetics
          Professor of Genome Sciences

4:00 PM  Reception in Vista Café
